## **Appendix 12**

### **Board's proposal on authorising the Board of Directors to decide on the issuance of shares as well as the issuance of other special rights entitling to shares**

The Board of Directors proposes that the Annual General Meeting will authorise the Board of Directors to decide to issue new shares either against payment or without payment. The authorisation would be given to a maximum quantity of 436,516 new shares.

The new shares may be issued to the company's shareholders in proportion to their current shareholdings in the company or deviating from the shareholders' pre-emptive right through one or more directed share issue, if the company has a weighty financial reason to do so, such as developing the company's equity structure, implementing mergers and acquisitions or other restructuring measures aimed at developing the company's business, financing of investments and operations or using the shares as a part of the company's remuneration and compensation system. The Board of Directors would decide upon terms and scope related to share issues.

Based on the authorisation, the Board of Directors can pursuant to chapter 10, section 1, of the Companies Act also decide on issuing other special rights entitling to new shares of the company. The subscription price of the new shares can be recorded partly or fully to the invested unrestricted equity reserves or to equity according to the decision of the Board of Directors. The Board of Directors is further entitled to decide on conditions regarding the issuance of shares as well as the issuance of other special rights entitling to shares.

The proposed authorisations would be valid for one year from the Annual General Meeting.
